

Olney Middle School (OMS) is committed to creating an environment where exemplary behaviour is at the heart of productive learning. Everyone is expected to maintain the highest standards of personal conduct, to accept responsibility for their behaviour and encourage others to do the same.

We are a caring school with a clear philosophy, we are committed to providing a caring, friendly and safe environment so all children, and staff can learn and work in a relaxed and secure environment without fear of being bullied or harassed. We actively promote and believe in creating a climate of co-operation and positive behaviour to reduce the number of incidents and likelihood of bullying occurring. We aim to educate children appropriately so that incidents of bullying do not take place while children are in our care. If bullying is suspected or reported, the member of staff who has been approached will deal with the incident immediately.
