Headteacher: Mr Glenn Young

23<sup>rd</sup> March 2015

Dear Parents and Carers,

After spending the past few months getting to know as many people as possible, and listening to the thoughts, and feelings about Olney Middle School, it is now time to set the direction as to where OMS is going, to have as key drivers for future developments. The Governing Body and the Senior Leadership Team have developed some draft school Aims and Values, with the children at the forefront of our thinking!

Please see below the draft aims and values which we intend to be the bedrock of further development;

## School Aims

The Schools aims should be the foundation of all our work and all our activities support these aims.

- For all pupils to develop into successful learners and achieve their potential and beyond
- To nurture and develop every child to become responsible and caring members of the community
- To work in genuine partnership with families and the wider community
- To provide every child with an enjoyable curriculum in a high quality stimulating environment
- To challenge, support and develop our staff and governors to create an outstanding team

## Overall School Values

Our highly committed and valued staff, working in partnership with pupils, parents, governors and all stakeholders to ensure OMS is a school where;

- A caring ethos nurtures positive relationships with ALL equally valued, celebrated and proud of achievements
- Effective teamwork forms the basis of a professional and motivated staff who ALWAYS put children first
- An engaging, relevant and fun curriculum ensures ALL children are well prepared for education, work and life
- A culture of challenge and high expectation is promoted to maximise individual potential
- Children are taught in a stimulating learning environment where the concept of high quality is paramount
- An awareness of self, community and global issues foster responsible behaviour, always demonstrating the attitude of ready, respectful and safe.

*Tradition, Challenge  
and Change*

Before we agree these aims and values we would welcome your views on them. Governors will be present at Parents evening this week to receive your comments and thoughts.

Also with the introduction of a new curriculum and assessing without levels, it has been necessary to change the reporting format. At Parents evening, there will be a display of the new format for reports. It has been designed to be informative, user friendly and give you a comprehensive detailed document about your child's progress during the academic year.

And finally...

I would like to announce that Mrs Jen Kenny will be supporting another Primary school in Milton Keynes with their Year 6 work for the Summer term. It is a great opportunity for Mrs Kenny, and we wish her all the best. We look forward to having her back in September.

Best wishes

Mr Glenn Young
