

a CARING school

Olney Middle School

A note from Mr Young: As another busy week comes to an end, with Hotshots tasters, hockey matches, our Maths evening (thank you to all who attended), I would like to remind parents that this year the school are once again celebrating harvest by collecting donations for MK Food Bank. They would be delighted to receive any long life groceries and will also gratefully accept toiletries. The photo on our Facebook page shows the items they are currently prioritising, including long life juice and milk. All donations will be extremely gratefully received. Please can your child/ren bring them to the hall and put them on the stage once they have registered in the morning. The food bank will be coming to collect our donations on Monday 9th November.
Thank you in advance for your Generosity.
Best wishes
Mr Young

Reminder.....

- Parents evening 10/10/17
- Parents evening 12/10/17
- SEN PP Parents evening 17/10/17
- Last day of half term 20/10/17

Thoughts from our 'Minion of the week'

Each week, we celebrate a pupil who has demonstrated our schools values and deserves to be recognised. We will ask the winner to share a few thoughts as to how their week has been..

Zachary (3LG)

This week I have enjoyed maths because we are working on sums which I knew, and that I can learn.

In science we are learning about rocks and if they are durable or not, we did this by rubbing the various rocks on sandpaper to which were the most durable.

School is just so good, I am really having fun in Yr 3 and I have enjoyed making lots of new friends.

House cup winner this week.....

Cowper
