

a CARING school

# Olney Middle School

## A note from Mr Young:

It has been lovely to see many of you during our parents' evening. It is always an important time of year having the opportunity to discuss and make targets for your child. I hope you found the progress report useful, as ever we are always seeking feedback, so please look out for a survey next week. Thank you to everyone who donated items to the foodbank, it is great to see the wide range of items donated- they are being picked up on Monday- any last minute donations are welcome. Next week is the last week of half term, we will have the winner of the House mufti, so please look out for that announcement.

Best wishes Mr Young

**Reminder.....**In line with national guidance (see link on website) we encourage children to bring a healthy snack to school such as fruit, vegetables, a rice cake or similar nutritious alternative.

- Last day of half term 20/10/17
- INSET day 30/10/17
- Pupils back from half term 31/10/17

## Thoughts from our 'Minion of the week' .....

Each week we celebrate a pupil who has demonstrated our school values and deserves to be recognised. We will ask the winner to share a few thoughts as to how their week has been..

Isabella (6AP)

My favourite subject is English, at the moment we are working on Myths and the one we are covering is Robin Hood. For this we had to complete a 'Big Write' with a twist at the end. My twist was that when Guy of Gisbon and Robin Hood had a fight, they both died and turned into ghosts, then The Ghostbusters turned up.

I am enjoying 6AP, the work is exciting and fun.

House cup winner this week.....

**Newton**
