I am excited for Xmas lunch today also.

Bad weather reminder:

In the event of very bad weather, information will come to you via the local radio stations, school website, text messaging systems and by social media. We will update all of these systems as soon as we can, as information becomes available.

A note from Mr Young-

What a week! This week has shown me just how much we try to live up to our aspiration to support and work together with all our pupils, parents and the community.

Thank you for the many positive comments we received about how we dealt with the snow- many phone calls and messages were sent on Sunday trying to make the right decision. It did cause problems with our Carol Concert, however we felt it was important to give the pupils the opportunity to perform and this was justified by the pleasure we all took from the two amazing performances in school, either sides of 350 christmas lunches! This week we have also had a whole school trip to Planet Ice, and finally we had a visit from Mark Lancaster MP who came to announce that Emily W and Tom W both in Year 6 were respectively the winner and runner up of our constituency Houses of Parliament Christmas Card competition- the card has even gone to the Queen!

Finally, can I take this opportunity to wish you all a very merry Christmas, and a happy new year. I hope you enjoy the break, and use the slightly longer than normal lead up time to Christmas to enjoy all the opportunities this presents. I know I am looking forward to the time with my family, and I wish you all the very best.

Best wishes Mr Young

Ps I hope you enjoy our Christmas video on Facebook- many thanks to Miss Fawcett for directing!
