A note from Mr Young

Firstly can I wish everyone a lovely half term break- it's been a busy few weeks! The half term has ended in spectacular fashion over the last few days- we have had our touring drama party consisting of pupils from OMS, OIA, Chestnuts Primary, Whitehouse Primary, Fairfields Primary and Two Mile Ash (all our schools in IFTL (our Multi Academy Trust) perform 'Alone we are unique, but together we are spectacular'.

The Year 4s have held a fantastic Science event with all pupils demonstrating the amazing work they have done on electricity, and finally all pupils have contributed to our World Book day competition entry- see Facebook for some amazing pictures!

As mentioned last week, every year we always celebrate Pancake day- this year will be slightly different as the day is in half term- but look out for our Year 6s, who will be hotly contesting the pancake race in the morning. I look forward to seeing many of you in the Market Square on the day.

Best wishes Glenn Young
