

a CARING school

Olney Middle School

A note from Mr Young

I hope everyone had a good couple of weeks- although it felt like it rained for two weeks, it's been lovely to hear about all the pupils' adventures over the holiday.

At the end of last term, as a school we supported Sports Relief. So far we have raised over £600, however the Just Giving link is still open should you wish to add more. We aimed as a school to run a Marathon on the Friday - we were slightly out in our estimate - we ran 587 miles!!!

This term, as always is a busy one, with the fun and excitement of summer, added to the big events such as concerts, productions, trips, sports day, awards evenings and for Year 6, SATs.

This week we welcome two new members of staff to the school - Mr Nick Morrow has joined us a Site Manager, and Mrs Gemma Mason has joined the kitchen team. I am sure you will join me in warmly welcoming them to the school, and we are excited by the contribution they can make to our team.

Year 5 have had MK Dons working with them in the classroom and in PE lessons, and it has been great to see the enjoyment from all.

Next week, we are competing in the MK Handball and Korfbal cups - this is the first time that the school has played Korfbal!

Finally, hopefully next week marks the start of warmer weather, so can I remind you that the pupils should bring in a named water bottle for each day.

Best wishes Glenn Young

A polite reminder that morning registration is a busy time in the classroom for the whole class - but there is always an adult on the door to take messages for the class teacher if they are about urgent or pressing concerns.
