

a CARING school

Olney Middle School

A note from Mr Young

We have been very proud of our Year 6 pupils this week; when you read the news about children in distress about SATs, it was fantastic to see the positive attitude with which every pupil approached the assessments, and we know they will have done themselves proud. Our Multi Academy Trust monitored our administration of the tests, and were really impressed with our approach, but most importantly impressed with the pupils.

Equally the rest of the school were excellent throughout the week, and it has been lovely today to see the school full of the colours of Red, White and Blue, and enjoying the relaxed celebrations for the Royal wedding.

Next week, Year 4 and Year 5 have their Lifepath experiences where the pupils will learn more about local history (particularly about John Newton), and local customs such as the Pancake race.

Year 6 go on their well earned residential on Wednesday, the weather currently looks like they will have a fantastic few days.

You will have heard lots about GDPR, we will be sending a letter next week explaining how this relates to Olney Middle School- should you have concerns please do not hesitate to ask!

Finally the School Nurse clinic is being held here next Wednesday 23rd; 30 min appointments are available from 9.30 - 11.45, Please contact the school office and speak to Mrs Norton to arrange an appointment.

I hope you have a good weekend,

Best wishes Glenn Young

A polite reminder that doors open at 8.30am ready for registration at 8.40am. Arriving on time ensures the children have a smooth start to the day ahead.

Minion of the Week..... The minion award is presented to a child who has demonstrated the school values throughout the week. Nominations can be made by both staff and parents.

This weeks Minion is.....Claudia (5AT)

I was very surprised to receive this award and I am very proud that I have been nominated by both of my class teachers.

In school my favourite subjects are Art and we are working on a piece based on the work of Chris Ofili, in English I love to write stories and I enjoy being able to work independently.
