# Olney Middle School

A note from Mr Young

This week we have been really pleased with the transition process, which started on Wednesday with the children finding out the names of their new teachers. We then spent a very happy hour on Thursday learning together and preparing for next year.

This coming week will see all children spending two days (Tuesday 3rd and Wednesday 4th) in their new classrooms with their new teachers-we are all very excited about getting to know more about our new classes and know that these two days will be very positive for all.

We have been working very hard on giving every child in the school a personalised end of year report-these will be given to children on Monday 9th July and we hope they are useful in giving you a clear understanding of the progress your child has made over the past year.

Good luck to those children who are competing in the MKPSAA District Athletics Finals at Stantonbury Campus on Saturday morning. If you would like to go along and cheer the team on, please park in the main car park at the Campus, events start at 10am. Competitors need to arrive at least 45 minutes before their event.

*Best wishes, Glenn Young*

**Minion of the Week**..... The Minion award is presented to a child who has demonstrated the school values throughout the week. Nominations can be made by both staff and parents.

This weeks Minion is.....Connor M (5RH)

Connor was nominated by Miss Harper as he constantly displays empathy, understanding of those around him and helping others when needed.

Miss Harper explained that if any child in the class shows that they are struggling Connor is the first one to step up and offer support.

Miss Harper and all of the staff at OMS are very proud of Connor and the qualities he constantly displays.
