Olney Middle School

A note from Mr Young

Thank you for coming to the parents evenings. The evenings are designed to allow yourself to have a good discussion about how your child is doing in school, and how we can continue to work together in partnership- I hope you enjoyed the evening, but should you ever need more information, please do not hesitate to contact your class teacher. Over the coming weeks, the pupils are continuing on their learning through each topic, and it has been excellent to see the vast range of achievements coming out of the learning, this has ranged from robots being made and used in Year 3, to our Year 6 pupils completing full research and presentations on Saxon Gods in any format they wished!

Finally congratulations goes to our Badminton squad and Hockey squad who attended competitions this week- it was commented on how our pupils were great ambassadors for the school, and represented OMS in every aspect of sportsmanship.

As ever, I am always available should you wish to come and see me! I hope you have a lovely weekend.
