

a CARING school

Olney Middle School

A note from Mr Young;

It certainly has been another busy week at Olney Middle School.

Our School council have embarked on a project to ensure that, as a school, we lower our carbon footprint and produce less waste. There are more details in the special School Council edition of the newsletter.

On the playground, there have been many examples of children playing nicely together and enjoying themselves, despite the chilly weather conditions. Trading cards certainly have become popular again in 2019 and we would love for children to be able to use these during break and lunchtimes. However, there have been a few occasions where children have not been playing as sensibly as we would have liked. A reminder that children need to adhere to our school rules (ready, respectful and safe) when using trading cards, otherwise we may sadly have to stop them being allowed on the playground and in school.

I hope you have a good weekend!

Best wishes
Mr Young
