

a CARING school

Olney Middle School

A note from Mr Young;

Happy new year!

We are now in our second full week back and Christmas seems a long time ago. Over the past two weeks we have had Stunning Starts for Year 3, 5 and 6, and today Year 4 have had their Fabulous Finish Romans Day. I really hope everyone is enjoying the new curriculum, and the variety it has added to the pupils learning experience.

Many of our Year 5 pupils have had Bikeability this week and it has been great to see the 'healthy' choices being made about coming to school. Please can I take this opportunity to remind you, that if you drive to school, please think carefully about where and how you park - please be respectful of our neighbours close to school, and to be mindful of all the children travelling to and from school.

As we are now well into January, and the weather has started to turn, I would like to remind you of our process for school closures and snow.

Should the weather turn and decisions have to be made, as a school we work very closely on our communication, the decision will be made at the earliest time possible, I am in close discussion with the local headteachers and key staff in Olney. We try and make any decision as soon as we can, because we are aware of the difficulties and problems it can cause. As soon as possible we will update parents via text, the school website and facebook- we will do this as many times as necessary as the situation develops (weather at times can be unpredictable and discussions can be made very quickly).

If the decision to close the school is made (we do everything to avoid this decision), we will again update via text, Facebook and school website, and we will also formally place the notice on the MK Council School Closure page.

I hope you have a good week!

Best wishes

Mr Young

Minion of the Week.....

The Minion award is presented to a child who has demonstrated the school values throughout the week. Nominations can be made by both staff and parents.

This week's minion is.....Martha Henry (4HT)

Martha has been nominated by her teacher, Mrs Tiplady.

Mrs Tiplady explained that since joining OMS in September, Martha has gone above and beyond to make new friends, settle in and apply herself in lessons. Well done Martha, we are all very proud of you.
