

a CARING school

Olney Middle School

A note from Mr Young,

It's been a fun and filled week with lots of activities including:- Last weekend seven year 5 and 6 children helped represent Milton Keynes at the Cross Country Nationals in Leicestershire. They ran in races with over 300 other children and achieved some very respectable places and as always, were a credit to the school. Look out for a full report about this next week.

On Monday Year 3 went to the Sealife Centre in Birmingham for their H2Woah! theme. The children were fascinated by being able to attract a ray just with the heat of their hands and we are pleased to report that we found Nemo!

Year 6 are attending Easter Cracked at the Baptist Church with activities such as crafts, stories, quizzes and games based around the Easter story.

Year 4 have a Digestion Day - an immersive experience of the digestive system in the school hall - with tunnels and other items to represent the various functions of the human digestive tract!

At the same time they are also swapping to a special PE activity learning to use a skateboard safely, learning basic skateboard skills in the sunshine.

Coming up next week, you will have seen a letter about dressing in blue mufti on Wednesday for Blue for the Loo Day supporting water and sanitation work in some of the poorest communities in the world. Children are invited to bring a silver coin donation.

Year 4 will be visiting Ironbridge for their Victorian theme residential and we are looking forward to hearing what they learn about the Industrial revolution and Victorian life when we return after Easter.

Have a good weekend, best wishes
Mr Young
