

LEAVERS T-SHIRTS 2020

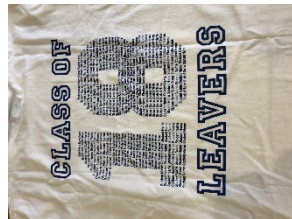

ORDER FORM

Dear Parents,

Previously, we have offered the Year 6 students a memento from their time at OMS and we would like to do that again this year despite the current circumstances.

As it stands, the company that we have previously ordered the t-shirts from are still taking orders and are hoping to resume their production as soon as it is safe to do so. As long as they are able to operate, we would still like to make this happen.

The t-shirts will feature the names of each of the year 6 pupils in the "20" on the back of the shirt. (The pictures below is a representation from a previous year).

These t-shirts cost £5 per student. We appreciate at this time it may be an extra financial cost that you could do without but if you are able to contribute and make this happen for the children, we are sure it will be appreciated. If you cannot pay, then please let us know because we still want the whole year group named on the t-shirt. We cannot accept cash or cheques this year and ask that payment is made through the school Parentpay system.

If you have any queries please let me know via the contact details below.

Many thanks

Julie Paynter
